

Ace Cassidy CPTS451 HW4 Spring'20

1. Find the distinct courses that “Software Engineering (SE)” track students in 'CptS'major are enrolled in. Return the major, courseNo, and credits for those courses –sorted by major and courseNo.

```
SELECT distinct enroll.coursemajor, enroll.courseno, credits
FROM Student, Course, Enroll
WHERE studentmajor='CptS' AND trackcode='SE'AND enroll.sID = student.sID
      AND course.courseno = enroll.courseno
ORDER BY enroll.coursemajor, enroll.courseno;
```

2. Find the sorted names, ids, majors and track codes of the students who are enrolled in more than 18 credits (19 or above).
